---

## Project Description

As stated on the project disclosure page, the FMO, by contributing to a consortium led by FMO's partner DPI supports the further domestic growth trajectory of the Company and its expansion towards Morocco with growth capital. Part of the consortium's funds will be earmarked to acquire shares from smaller shareholders seeking an exit. FMO invests via ADP III Holdings 5 LP, which is an investment vehicle led by DPI and holds the consortium's stake in Kazyon.

---

## Early Warning System Project Analysis

The FMO categorized the project as B+.

---

## Investment Description

- Netherlands Development Finance Company (FMO)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Development Partners International \(DPI\)](#) (Financial Intermediary)

---

### Private Actors Description

As stated by the FMO, founded in 2014, Kazyon is a discount grocery retailer in Egypt with over 3,500 employees, 4 distribution centres, and 595 stores spread across 17 governorates as of December 2022. Kazyon is offering a wide range of fast-moving consumer goods such as packaged foods, beverages, toiletries, dry goods and other consumables.

As stated on the company's website, DPI is among Africa's leading investment institutions.

## ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
