The facility provides credit risk sharing for I&M Rwanda's MSME portfolio with a focus on MSME loans to women, youth and agriculture clients. With this guarantee in place, FMO will be supporting I&M Rwanda to increase their lending to MSMEs by managing the potential credit risks for the underlying portfolio.

I&M Rwanda is an existing client of FMO and a well performing bank with strong footprint across Rwanda. They are expanding more into MSME lending with FMO's portfolio guarantee providing them with the support required to increase their MSME portfolio while managing the potential credit risks. FMO will also be providing Technical Assistance to support I&M Rwanda in delivering their MSME lending strategy. This investment has a FMO Reducing Inequalities label as it contributes to the economic development of Rwanda which is categorized as 'least developed country'.
