Status	Approved
Bank Risk Rating	U
Voting Date	2023-08-25
Borrower	The World Economic Forum
Sectors	Climate and Environment
Investment Amount (USD)	\$ 0.31 million

Project Description

According to the Bank's website, the World Economic Forum was established in 1971 as a not-for-profit foundation and is headquartered in Geneva, Switzerland. It engages the foremost political, business, cultural and other leaders of society to shape global, regional and industry agendas.

Through this partnership, FMO will enable the World Economic Forum to contribute further and actively participate in developing regional expertise on nature and climate finance and investment for emerging and developing economies (EMDEs) by forming networks and communities to investigate and develop solutions for closing the nature and climate investment gap.

As part of FMO's ex-ante disclosure (disclosure of transactions before contracting), you can send requests or questions for additional information to: disclosure@fmo.nl

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
