Project Description

Accorrding to the FMO, the bank is participating with USD 40 million in the B tranche of an existing A/B syndicated loan transaction arranged and signed in 2022 by International Finance Corporation (IFC). The proceeds of the loan will be used for the construction of Cerrado Project, a greenfield pulp mill, including the development of eucalyptus plantations to be consumed by the mill, in Ribas do Rio Pardo, state of Mato Grosso do Sul.

Investment Description

- Netherlands Development Finance Company (FMO)

Private Actors Description

According to the FMO, Suzano S.A. is an integrated forestry, pulp and paper company. Founded in Brazil approximately 100 years ago, it has established itself as a global reference in the development of products made entirely from planted eucalyptus forests and one of the largest vertically integrated producers of eucalyptus pulp and paper in Latin America. Suzano currently manages 2.6 million hectares of forests, consisting of 1.6 million hectares of productive eucalyptus plantations and 1.0 million ha in set-asides for conservation. Suzano operates 11 mills (8 pulp facilities and 6 paper mills, of which 3 are integrated) throughout 5 Brazilian States.

ACCESS TO INFORMATION

As part of FMO's ex-ante disclosure (disclosure of transactions before contracting), you can send requests or questions for additional information to: disclosure@fmo.nl.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
