## Project Description

According to the Bank's website, the objective is to strengthen the delivery of services to Moroccan entrepreneurial support organizations (ESOs) participating in the second phase of the "Innov Invest Fund (F2I)" which is the Moroccan government program led by Tawilcom that will deploy a range of financial products for participating ESOs to ultimately help hundreds of startups over the life of F2I. FMO's funding will work in parallel with F2I to improve overall effectiveness of building the Moroccan tech ecosystem by providing investment readiness support to ESOs funded by F2I and connecting the local ecosystem with international investors and corporates through Bpifrance's EuroQuity platform and other resources to help scaling ventures.

## ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
