## Project Description

With this funding, FMO supports the initial work of the Peru Sustainable Banking Initiative. ASBANC requires a benchmarking study that evaluates how much each of its associates has progressed developing their sustainable banking strategies, their strengths, improvement opportunities and how the sector compares to international counterparts. Therefore, the main objective of this initial project is to carry out the benchmarking study with ASBANC's associates.

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
