## Project Description

According to the FMO, the Nasira guarantee aims to further scale up TBC's initiatives and is expected to mobilize USD 30 million in financing to Georgian MSMEs. The focus will be on underbanked segments such as young entrepreneurs, start-ups, woman owned-led businesses and rural based agribusiness enterprises, who face the most challenges in accessing funding.

The partnership through the Nasira portfolio guarantee reflects the shared commitment of TBC and FMO to strengthen Georgia's inclusive economic growth. TBC Bank is the largest MSME-lender in Georgia and has already been actively bringing new initiatives and innovative financing solutions to the market to support MSMEs.
