## **Project Description**

According to the Bank's website, FMO supports TLcom Capital LLP in organizing the TLcom Africa Tech Female Founder Summit, a one-day in-person event providing female founders across Africa with mentorship, leadership development, and networking opportunities. The overall objective is to help women-led tech startups in Africa strengthen their capacity to scale & succeed in their markets

This project leverages the convening power of TLcom Capital LLP by bringing together a diverse group of entrepreneurs, investors, and stakeholders, which aligns with the objectives of community engagement in the EC TA agreement. The summit, expected to receive 136 female founder participants, provides a collaborative platform that fosters knowledge sharing, best practices, and professional connections. The Africa Tech Female Founder Summit will create a platform for female entrepreneurs to connect with investors, mentors, and industry peers, addressing these gaps and supporting the development of female-led tech companies.
