Project Description

According to bank provided information, BluePeak is a specialist mezzanine fund manager. Mezzanine financing consists of a blend of debt and equity financing. Such financing helps to address the existing funding gap for companies that prefer to retain ordinary equity whilst requiring growth funding to expand their businesses. The instrument thus includes a fixed repayment schedule (like debt) and some upside participation (akin to equity) if the business succeeds. BluePeak will invest across multiple sectors with a target investment size of USD 15-25 mln. Focus countries include Cote d'Ivoire, Cameroon, Egypt, Ethiopia, Ghana, Kenya, Morocco, Nigeria, Rwanda, Senegal, South Africa, Tanzania, etc.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
