## Project Description

According to the FMO, the funding by FMO of USD 32mln is a B-loan with EBRD in the lead and aims to finance capital expenditures of A101 to open new stores and regional distribution centers and improve energy efficiency of new and existing stores by using, among others, new refrigerating and lighting systems.

The project helps A101, an important player in the local food value chain, to promote cheaper and more accessible food and further improve health and safety standards. The project is labeled Green and Reducing Inequalities.

The transaction involves opening new stores and warehouses, and refurbishment projects incorporating resource and energy-efficient technologies such as LED lighting and high-efficiency refrigeration systems.

## ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
