Project Description

As stated on the project disclosure page, the FMO is providing a USD 40 million senior secured facility to Sunrise Turkiye. The financing supports the company's working capital requirements and capital expenditure program, including the maintenance and modernization of its processing and port facilities in Corum and Giresun, Turkiye.

The investment supports a globally active leader in the organic agribusiness sector, contributing to more sustainable food systems through certified organic sourcing, processing, and distribution. The transaction is expected to support economic activity and employment in rural regions of Turkiye, while promoting environmentally sustainable agricultural practices through certified organic supply chains.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
