The financing supports renewable energy and climate-aligned projects across mainland Africa.

Investment Description

- Netherlands Development Finance Company (FMO)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- Mauritius Commercial Bank (MCB) Limited (Financial Intermediary)

Private Actors Description

Mauritius Commercial Bank Limited (MCB) is the largest and most established bank in Mauritius. It plays a central role in the country's financial system and has a strong regional footprint, serving corporate and institutional clients both in Mauritius and across Sub-Saharan Africa. MCB is a well-governed institution with a long history, strong market credibility, and a diversified business model.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
