- Energy generation and access
- Transport
- Buildings, cities, industries and appliances
- Health, food and water security
- Livelihoods of people and communities
- Infrastructure and built environment

Investment Description

- Green Climate Fund (GCF)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- Development Bank of Southern Africa (Financial Intermediary)
