---

## **Project Description**

Promote social and urban integration of the country's vulnerable neighborhoods, prioritizing those included in the National Registry of Informal Neighborhoods (RENABAP).

The Social and Urban Integration Program will prioritize the RENABAP neighborhoods, where it will adopt a comprehensive intervention model that will seek to provide basic infrastructure to coordinate existing State social programs and services, using various models to address the specific deficits of each neighborhood.

---

## Investment Description

- Inter-American Development Bank (IADB)

This operation will be financed by means of a US\$50 million loan from the Bank's Ordinary Capital.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
