Investment Amount (USD)	$ 100.00 million
Loan Amount (USD)	$ 100.00 million
Project Cost (USD)	$ 100.00 million

Project Description

According to the Bank´s website, the objective of the CCLIP is to help improve the delivery capacity and quality of primary, secondary, and tertiary public health care services in the PBA, integrating them as a service network that provides priority care to people with exclusive public coverage in order to reduce the number of years of potential life lost. The objective of the first operation under the CCLIP is to improve access and effective coverage of public health services for the PBA population.

Investment Description

- Inter-American Development Bank (IADB)

The description of investment type was not available at the time of the snapshot.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
