### **Project Description**

The overall objective of this TC is to strengthen the institutional capacity of the public sector to promote gender equity through the development and implementation of an intervention program aimed at strengthening women's leadership in public management. The specific objectives are: (i) to strengthen the management and leadership capacity of women in public management through an intervention program; and (ii) visualize the female leadership and systematize and disseminate the intervention model for its expansion and replication in other public institutions of the country.

### Contact Information

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
