Loan Amount (USD)	$ 0.30 million
Project Cost (USD)	$ 0.31 million

Project Description

The general objective of the TC is to support the two ministries involved in the reforms supported by the PBP to consolidate them and move forward in complying with the indicative policy actions agreed for the second operation of the series. In particular, the specific objectives are: (i) to support the fiscal responsibility framework with a second generation reform; and (ii) advance the process of digitalization and interoperability of regulatory agencies that simplify the compliance demonstration processes by private parties.

Investment Description

- Inter-American Development Bank (IADB)

The bank did not provide information about the investment type at the time of publication of this snapshot

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
