Gender and Diversity Mainstreaming in the Implementation of the 2030 Agenda por Sustainable Development in Argentina

Project Description

Strengthen the capacities, through the Consejo Nacional de Coordinacion de Politicas Sociales (CNCPS), of provinces and municipalities of Argentina to mainstream the gender and diversity in the implementation of the 2030 Agenda. For this, the project will work in partnership with the corresponding subnational governments, as well as with actors from civil society and the private business sector.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
