Project Description

According to the Bank's website, the general objective of the Technical Cooperation (TC) is to support the implementation of the Program for the Strengthening of Educational Trajectories in the Province of Buenos Aires (AR-L1367). As specific objectives, the TC aims to strengthen the Educational Information and Management System (SIGED) of the PBA, and to support the development and implementation of an IT solution for the registration and monitoring of the Program for the Promotion and Strengthening of Socio-Educational and Community Centers (CSC) in Popular Neighborhoods (BP), contributing to achieve the specific objective of AR-L1367 which is "to improve access to educational opportunities for children, adolescents and youth in contexts of vulnerability".

Investment Description

- Inter-American Development Bank (IADB)

No contact information provided at the time of disclosure.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
