Project Description

According to the IADB, the general objective of this TC is to strengthen the capacity of Argentina's National Ministry of Health (MSN) to plan, manage, and evaluate health policies and programs more efficiently. The specific objectives of the TC are to: (i) support the implementation of Argentina's national digital health agenda; (ii) improve the use of integrated and timely information for procurement planning, supply management, and the management of federal health programs; and (iii) support the establishment of the National Agency for the Evaluation of Health Technology Financing (ANEFITS).

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
