## **Project Description**

The objective of this TC is to provide support to the Government of Barbados (GOB) to prepare inputs that will further facilitate the execution of loan BA-L1032 (3542/OC&CH-BA). There is need for continued cooperation under the TC to fund the additional work that is required to strengthen the inter-agency coordination and facilitate the successful completion of the program. BA-L1032's objective is to contribute to the reduction of extreme poverty and unemployment in Barbados.

---

**Investment Description**

- Inter-American Development Bank (IADB)

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
