## Project Description

According to the Bank's website, the overall objective is to support the Government of Barbados in strengthening the effectiveness and efficiency of social policies and sustainability of social security in Barbados. The specific objective is to: (i) provide technical support to the design a Survey of Living Conditions to gather and systematize formation related to targeted social and labor programs and (ii) conduct studies necessary to comply with the conditions committed in the BA-L1060 policy program.

---

## Early Warning System Project Analysis

This Technical Cooperation is not intended to finance pre-feasibility or feasibility studies of specific investment projects or environmental and social studies associated with them; therefore, this TC does not have applicable requirements of the Bank's Environmental and Social Policy Framework (ESPF).

---

## Investment Description

- Inter-American Development Bank (IADB)

Donors providing funding: OC SDP Window 2 - Social Development(W2E)

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
