Project Description

The general development objective of this project is to contribute to ensuring minimum levels of quality of life for vulnerable persons amid the crisis caused by COVID-19. The specific objectives are to: (i) support minimum income and employment levels for those affected by the coronavirus in the immediate period and during the recovery; and (ii) preserve the human capital of those affected by the coronavirus crisis.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

Project contacts not provided at the time of disclosure.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
