IADB-BL-T1079

Project Preparation Studies for the Rehabilitation of the Caracol Road

### **Project Description**

This project funds the preparation of the technical, economic, environmental, and social studies surrounding the Bank's Caracol Road Rehabilitation Project. Specifically, this project will assess the best alternative for the rehabilitation and upgrading of the Caracol Road in the context of the larger Bank project.

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
