Project Cost (USD)	\$ 0.25 million

IADB-BL-T1103

Support for preparing the 2020 Population and Housing Census

Project Description

According to the bank, the objective of the project is to contribute to the strengthening of Statistical Institute of Belize's statistical capacity to produce quality socio-economic and demographic data, in terms of reliability, timeliness and relevance. Components of the TC with the SIB include: i) improving census maps through satellite imagery; ii) providing training and piloting of electronic collection of census data; iii) training in data analysis.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
