| Project Cost (USD)      | \$ 0.15 million                             |

## Project Description

The general objective of the proposed TC is to provide technical assistance to the MoEYSC (Ministry of Education, Youth, Sports and Culture) in the evaluation of EQIP (Education Quality Improvement Programme) II, including technical support in the design of sampling, evaluation instruments and data cleaning and analysis. The resources from the TC will complement resources from the lending operation (see BL-L1030 M&E Plan).

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
