Project Cost (USD)	\$ 0.02 million

IADB-BL-T1154

Knowledge Exchange of Digital Platform Experiences for Micro, Small and Medium Enterprises

#### **Project Description**

The objective of the technical cooperation is that the DFC team from Belize can visit the Bancoldex offices in Colombia on site. Bancoldex will be supporting DFC with the Neocredit Platform developed for microenterprises but which could be adapted to the needs of Belize. This would expand access to intra-regional experiences and promote knowledge sharing.

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
