Investment Amount (USD)	$ 0.65 million
Project Cost (USD)	$ 0.65 million

Project Description

This project provides funds aimed at improving environmental degradation in Lake Titicaca. There are two components. The first aims to fund various local governmental bodies to strengthen environmental management. The second aims to fund the development of studies that explore ways to manage the continuing release of solid waste into the lake.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IDB:

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).ACCOUNTABILITY MECHANISM OF IDB/ IIC
