## Project Description

Contribute to the conservation and socio-environmental recovery of the Sao Paulo State's Coastal Zone, through actions aimed at: (i) promoting the protection of terrestrial and marine biodiversity; (ii) reducing the risk of natural disasters and vulnerability to the impacts of climate change; and (iii) mitigating environmental and social damage caused by irregular occupations, strengthening the social fabric of the affected populations.

## Investment Description

- Inter-American Development Bank (IADB)

The country's counterpart ammount to USD 25,000,000.

## Contact Information

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
