Project Description

According to the IADB, the project aims to strengthen policies that seek to promote gender and race equality in Brazil. The specific objectives are: I) support public policies that promote the economic autonomy of women and Afro-descendants; II) strengthen regulatory frameworks and mechanisms to ensure a life free from violence and discrimination for women and Afro-descendants; and III) support policy measures of the Federal Government that seek to expand and strengthen institutional capacity and coordination with subnational governments to promote gender and race equality.

Investment Description

- Inter-American Development Bank (IADB)

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

<https://www.iadb.org/en/access-information/information-request>.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
