| Project Cost (USD) | \$ 600.00 million |

Project Description

The objective of CCLIP is to promote new strategies for housing and habitat improvement in Brazil, with a focus on the low-income population. In other words, CCLIP seeks to support the SNH, subnational governments, private actors and other sectoral players in the formulation and execution of strategies and programs for social housing, including habitat improvement in subnormal settlements and vulnerable territories, contributing to the acceleration of economic development and the reduction of social inequalities in the country.

Investment Description

- Inter-American Development Bank (IADB)

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

<https://www.iadb.org/en/access-information/information-request>.

-

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
