Investment Amount (USD)	\$ 0.20 million
Project Cost (USD)	\$ 0.20 million

Project Description

The general objective of this TC is to provide support to the transportation sector in Brazil, assisting both the Federal Government and subnational entities in initiatives and projects that promote safe, sustainable, resilient and inclusive transportation and logistics infrastructure and services, as well as the incorporation of innovative solutions that support the digital transformation of the sector in the country. The specific objectives of the TC are: (i) to provide comprehensive technical assistance for the planning, design and implementation of projects, including specialized studies, prefeasibility, technical, economic and environmental assessment, and social management plans, among others; and (ii) to support institutional strengthening and provide technical assistance to improve the sustainability and resilience of transport infrastructure and services, as well as to promote innovation, gender equality and inclusion in the sector.

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

<https://www.iadb.org/en/access-information/information-request>.

-

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
