Investment Amount (USD)	\$ 0.40 million
Project Cost (USD)	\$ 0.40 million

Project Description

The general objective of this TC is to strengthen the institutional capacities of MCOM to design, monitor and evaluate financial mechanisms that can make efficient use of the scarce resources of the FUST to enforce the universalization policies of telecommunications services, equipping MCOM with conditions to scale MCOM's FUST in partnership with current and new FAs.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
