Strengthening regulatory capacities for competitiveness and the improvement of the business environment in Brazil

Quick Facts

Countries	Brazil
Specific Location	Uninformed
Financial Institutions	Inter-American Development Bank (IADB)
Status	Active
Bank Risk Rating	U
Borrower	Government of Brazil
Sectors	Law and Government, Technical Cooperation
Investment Type(s)	Advisory Services
Investment Amount (USD)	\$ 0.18 million
Project Cost (USD)	\$ 0.18 million

Project Description

To support the development of institutional capacities for better regulation in Brazil, with a view to enhancing competitiveness, improving the business environment, and providing better public services. To achieve this, the TC will support the following specific objectives: (i) strengthening a regulatory quality monitoring system; (ii) generating a menu of options to measure regulatory costs; (iii) enhancing capacities in regulating new technologies and climate change; and (iv) supporting administrative simplification and better regulation initiatives at the subnational level.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
