Support for the Operational Strategy to Improve Climate Resilience and Risk Management in Transport Infrastructure in Brazil (focus on the Amazon)

Project Description

According to the IADB, the objective of this Technical Cooperation (TC) is to contribute to improve the resilience of the Brazil transport infrastructure, with focus on the Amazon transport network, the national and subnational projects strategic to improve the resilience and redundance of the transport network and, the transport projects in execution and/or preparation with IDB resources. The specific objectives are: (i) a pilot project to design a regional dynamic WRF model to improve the threat information necessary to contribute to develop the adaptive capacity and to reduce the vulnerability to climate risk to the Brazilian transport network; (ii) to develop tools that contribute to asses and reduce climate vulnerability of the Brazilian transport network, and improve institutional capacity, dialogue and coordination among decision makers in transport climate risk management in Brazil and; (iii) to develop a policy and technical roadmap for the development of the Amazonian transport network in Brazil, based on a set of standards of resilience, green infrastructure, and nature based solutions.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
