Borrower	Government of Brazil
Sectors	Law and Government, Technical Cooperation
Investment Type(s)	Advisory Services
Investment Amount (USD)	\$ 0.30 million
Project Cost (USD)	\$ 0.30 million

Project Description

According to the IADB, the objective of this Technical Cooperation (TC) is to strengthen the institutional capacities of the Ministry of Social Development and Assistance, Family and Fight against Hunger (MDS) to address challenges to overcoming poverty in Brazil and improve the social and care agendas. The specific objective is to support initiatives aimed at overcoming poverty and social vulnerability, contributing to the enhancement of MDS's strategic programs focused on productive inclusion and opportunity generation, including the strengthening of policies that promote the socioeconomic integration of individuals registered in the Unified Registry for Federal Government Social Programs (CadUnico).

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
