Project Description

According to the IADB, the general objective of the initiative is to strengthen the public healthcare network in the Metropolitan Macrorregion of Porto Alegre, the state capital, through support for the structuring of a PPP for a new hospital. This is part of a long-term strategy led by the State Health Department to improve the system's responsiveness, ensuring a more agile and efficient flow for high-complexity cases and relieving the burden on existing referral units.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
