Project Description

This Technical Cooperation aims to strengthen fiscal management and governance in Brazil by supporting the systematization, adaptation, and dissemination of solutions and models based on the accumulated experience of the PROFISCO I, II, and III programs. Through the promotion of interinstitutional cooperation and structured exchange among key stakeholders, the products of the Technical Cooperation will serve as strategic inputs to inform the design, implementation, and scaling up of PROFISCO III projects, as well as to support decision making and the formulation of fiscal public policies, without replacing or duplicating investment financed interventions.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
