IADB-CH-T1266

BSU Incremental Social Housing: Reversing The Growth Of Informality

Project Description

Implement a pilot program to reduce the relocation time for families living in informal settlements (camps), contribute to the reduction of the housing deficit in Chile and provide a modular building solution for social housing of dignified size and quality, according to the regulatory framework and the current budget allocated by the national subsidy policy.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (Spanish).
