Investment Amount (USD)	$ 1.50 million
Grant Amount (USD)	$ 1.50 million
Project Cost (USD)	$ 2.35 million

Project Description

Increase areas for ecological restoration, rehabilitation and recovery for the renovation of degraded ecosystems in active nuclei of deforestation, in addition to the reduction of greenhouse gas emissions and improving the quality of life of rural communities in these areas.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

Project contacts not available at the time of disclosure.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
