Project Description

The program's objective is to strengthen public oversight by improving the effectiveness of the Office of the Attorney General. Primarily, this will be achieved by: (i) improving the efficiency and coordination of the PGN's mission-related functions through an approach that focuses on an oversight cycle with change management and risk-mitigation tools; (ii) strengthening the efficiency of execution, coordination, and monitoring of decentralized functions; and (iii) promoting internal and external transparency and integrity.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
