Loan Amount (USD)	\$ 60.00 million

## Project Description

According to IADB website, the project aims to contribute to a greater diversification and internationalization of the Colombian economy to boost the country's economic growth. The specific objectives are: (i) promote exports of knowledge-based services through the programs of the Ministry of Commerce, Industry and Tourism (MinCIT); and (ii) increase the inflows of Foreign Direct Investment (FDI) through the implementation and use of new tools for streamlining investment procedures and promoting and attracting investments.

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

No contact information provided at the time of disclosure.

## ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
