Project Description

This TC will support the implementation of the policy of the Government of Colombia (GdC) actions aimed to increase the supply and quality of services of infrastructure through PPP.
The overall objective of the program is to help bridge the gap in the provision and quality of productive and social infrastructure services, increasing the competitiveness and economic growth. The specific objective of the program is contribute to increasing private investment in the provision and management of productive and social infrastructure, in the water and sanitation sectors, education, justice, health and transport, through the consolidation of policy for the linking of private participation at the national and territorial levels.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IDB/ IIC

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
