Support to Colombia in Construction of Modern Governance of Public Security for Post-Conflict Stage

Project Description

The bank states that the objective of this technical cooperation is to improve the institutional capacity of the Colombian national and municipal authorities, including the Colombian National Police, for the prevention and control of new manifestations of violence and crime in the post-conflict era, to support the increase in offer of services for the prevention of violence and crimes that affect citizens of different urban and rural environments in Colombia, especially those who are more vulnerable, the evaluation of them, and to seek the systematization and dissemination of shared experiences during the Citizen Security and Justice Week held in Colombia in November 2017. The bank affirms that this objective will be achieved through: (i) the implementation of pilot programs for the prevention and treatment of violence and crime in urban and rural areas, which attend to the new post-conflict conditions; (ii) the evaluation of these experiences in coordination and support with specialized academic centers; and, (iii) the systematization, publication and dissemination of the experiences and best practices presented during the Citizen Security Week that took place in Colombia in November 2017.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
