## Project Description

The general objective of this Technical Cooperation is to support Colombia in implementing its new commercial policy focused on promoting the export of knowledge-based services, on attracting productive foreign direct investment, and on facilitating trade, in order to take advantage of the opportunities derived from the trade and investment agreements and to turn international trade into an engine of economic growth.

## Investment Description

- Inter-American Development Bank (IADB)

Ordinary Capital

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
