Program to Support Reforms Agenda to Promote Productive Development, Innovation and the Creative Economy in Colombia

Project Description

Support the development of a series of policy reforms aligned with operation CO-L1254 necessary to fulfill its objectives of (i) strengthening the institutional framework and public policies that drive innovation, productivity at the business level and entrepreneurship; and (ii) provide an institutional and regulatory framework favorable to the development of the creative economy.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
