Support to the Program to Improve the Sustainability of the Health system in Colombia with an Inclusive Approach

Project Description

This technical cooperation aims to support the Ministry of Health and Social Protection in the implementation of the program to improve the sustainability of the health system in Colombia with an inclusive approach and the digital transformation route of the General System of Social Security in Health (SGSSS). Specifically, the cooperation will focus on supporting: (i) The implementation of the nominal system that monitors the programmatic activities for the promotion and maintenance of health; (ii)The digital transformation of the health system; and (iii) the review and adjustment of the calculation of the health insurance premium for the subsidized health scheme.

Investment Description

- Inter-American Development Bank (IADB)

Project contacts not available at the time of disclosure.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
