### **Project Description**

The objective of this TC is to design a public-private financing model for sectoral training of vulnerable youths in Buenaventura, that allows them to access long term successful labor trajectories. Specifically, this TC aims to finance the design, implementation, evaluation, and methodological transfer for installed capacity construction of a training model in relevant skills for one or two sectors with potential to generate quality employment in Buenaventura combined with training in social-emotional skills.

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
