IADB-DR-T1317

IDB CLIMA: Support of the Program Integral and Sustainable Territorial Development

### **Project Description**

This TC aims to support the Dominican Republic in the design of its project DR-L1170 under the IDB CLIMA Pilot Program. The IDB CLIMA Pilot Program aims to incentivize sector-driven investments that will help accelerate sovereign borrowers' access to green thematic capital markets, with the goal of achieving the scale needed to meet national climate and biodiversity targets.

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
