### Project Description

According to the IADB, this technical cooperation (TC) aims to finance the studies, assessments, and preparatory documents necessary to structure the third phase of investment in the revitalization of the Colonial City of Santo Domingo. In turn, it will strengthen institutional capacities and ensure the alignment of this new program with national priorities for sustainable urban development, the goals of the National Development Strategy 2030, and the country's international commitments on heritage and climate change.

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
